INFO: WASH

Tactical Intelligence
Garrison Locations

1. Information is urgently needed concerning the locations of the garrisons in each of the following towns: Coban, Zacapa, Jutiapa, Matzatenango, Quetzaltenango, Quiche, Puerto Barrios and San Jose. By location is meant the exact address, and a small map showing the location with respect to the main square and public buildings would be helpful. Also of importance is a detailed description of the communications facilities in each garrison town. It is requested that you forward this information as soon as possible.

2. The most likely sources of this information would appear to be SEMANTIC and SECANT, and it is requested that you prepare questions for immediate submission to those agents. Emphasize to them that we need this material promptly. Possibly ESPERANCE is also in a position to obtain a portion of this information.
